

Fred:

Re your visit to San Antonio, the questions still pending are
(1) Is Wednesday afternoon convenient for you? They prefer the
afternoon but will do morning if you have a flight to catch. Suggestion
of time is 1:00 or 2:00 for one or two hours, depending on how much
information you need. That brings me to number (2): They would like
to speak with you today to get a better feel for what it is you wish
to discuss. Lt. Colonel Rimicci is the person to call and I have his
numbers. See attached for contact numbers, etc.

[A map is coming in the mail; hopefully it will get here by Monday.]
